## **VENDOR EMPANELMENT**

Growdiesel is India's No.1 Renewable Oil & Gas Organization dedicated to the cause of environment, energy & empowerment of farmers. Growdiesel is engaged in initiation of multiple projects for development of Next Generation Carbon Negative Biofuels like Green Diesel & Cooking Gas. Growdiesel has pioneered a technology platform designed to develop a unique technology to treat all types of biomass like algae, Jatropha etc into biofuel products that shall replace fossil based products.

For establishing these biomass to biofuel projects all around India & across the world, Growdiesel is interested in empanelment of vendors for fabrication & purchase of equipments and services. Growdiesel plans to enroll Original Equipment Manufacturers (OEMs), their channel partners, service providers & authorized distributors.
